

Kelly is running a plastic film recycling initiative through her Packanack Lake community and would like to encourage the members of Faith Community to help. The initiative is a Trex sponsored program to recycle plastic film. Plastic film includes all #2 and #4 plastics such as plastic grocery bags, Ziploc bags, bubble wrap, Amazon mailers, dry cleaner bags, cereal box liners, etc.

These plastic films are gathered, weighed, and brought to the Trex drop off point. A bin will be placed outside the office doors for anyone who would like to recycle their plastic. Plastics **not** accepted include: frozen food bags, candy bar wrappers, chip bags, net or mesh produce bags, pet food bags, meat packaging, lamination film, vinyl shower curtains or table cloths, shiny, crinkly films like floral wrap. Please see Kelly with any questions and visit [nextrex.com/view/educate](http://nextrex.com/view/educate) for more information!

**TODAY, August 13,**

- Is the eleventh Sunday after Pentecost
- Rev. Rod Gorter, Senior Pastor at Midland Park CRC, will worship with and lead us in worship
- We will celebrate communion at our morning service. Jesus said, "Come to me all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls." All, then, who are truly sorry for their sins, who sincerely believe in the Lord Jesus as their Savior, and who earnestly desire to lead a godly life, ought to accept the invitation now given and come with gladness to the table of the Lord
