

## The Mystery of the 1978 Time Capsule

When our current building was dedicated in 1978, the transition to Faith Community Church became official. Following a long-standing Reformed tradition, it is highly likely that a time capsule was placed behind our 1978 cornerstone. While the exact inventory remains a "hidden history," such capsules from that era typically hold:

- \* A 1975 Bible and Psalter Hymnal representing our unchanging worship.
- \* The Charter Membership list of the Fourth CRC of Paterson.
- \* Original news clippings from the Paterson Evening News detailing the fire.
- \* A piece of charred wood or a small artifact salvaged from the Paterson ruins.

This "hidden heart" within our walls serves as a silent witness. It reminds us that while our address changed and our name evolved, the faith that survived the fire in Paterson is the same faith that sustains us today in Wyckoff. We are a community built on a foundation that no fire can consume.
